

Thank you so very much to everybody involved in and attending the celebrations to commemorate the opening of our new buildings as a Primary School.

Congratulations to the Year 1 Scatter Ball team who came 3rd in their competition this week. The children demonstrated resilience, determination and represented the school brilliantly with their excellent behaviour.

Classes for 2019/20

We will soon begin the process of organising children into classes for the next academic year (September 2019).

If parents feel they would like to raise any issues in relation to classes next year, then please put this in writing as soon as possible. Specific classes or teachers will not be taken into account nor can parents try to specify who else should or shouldn't be in their child's class. We will listen to you and act accordingly if we see an educational reason to your viewpoint.

Once class lists have been finalised and shared with the children and their parents, further changes will not be considered, so please highlight any considerations you would like us to take into account now.

Gold Book / Birthday Assembly Summer Term¹

Year R	9:10 am Tuesday 21 st May
