

The excitement in Year 3 this week was palpable. The long awaited trip to the Novium museum had finally arrived. Many children from Robin and Wren experienced their first trip away from home. There were no tears from the children (the parents might have shed a tear or two) just laughter, happiness and excitement (the pictures say it all). The children were an absolute credit to our school. We had several comments from adults in the restaurant and the museum, expressing not only how beautifully behaved our children were, but also their exceptional manners. We are so incredibly proud of them. Well done Year 3.
