

Year 4 loved their visit to Metro Bank in Epsom. We enjoyed finding out about how the ATM machines work and how the 'Magic Money Machine' supports their customers. We were lucky enough to go inside the vault and we met Metro Man! Thank you Metro bank for providing us with important information about how to manage our money.

HATCHING PARTRIDGES 17th – 27th June

This is a wonderful opportunity for the children to witness partridges hatching whilst learning about their care and environment. The children will have the opportunity to visit them throughout the 10 days that they are with us.

We have chosen partridges to support the conservation project to increase their numbers in the UK. Partridges were once a common native bird in the UK but they are now on the Conservation Concern 'red list'.

If you would like to know more about this experience, more information is available at:

www.incredibleeggs.co.uk

Funded by [The Children's Activity Fund](#)

We are seeking **volunteers for 'Partridge Sitting'** for the weekend 22nd/24th June. Names will be drawn out of a hat and the lucky Sitter will be informed by phone no later than Thursday 20th June.

If you would like to enter the draw please email anita.marshall@ewell-grove.surrey.sch.uk with the following message:

"I would like my name to be included in the 'Partridge Sitter Draw' and understand that I must look after the ducklings responsibly for the weekend 22nd/24th June and bring them all back on Tuesday 25th June" or Monday 24th if you prefer. Remember to include your child's name and class.
