

# WREN CLASS

2018-2019

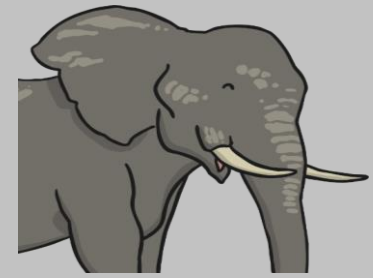

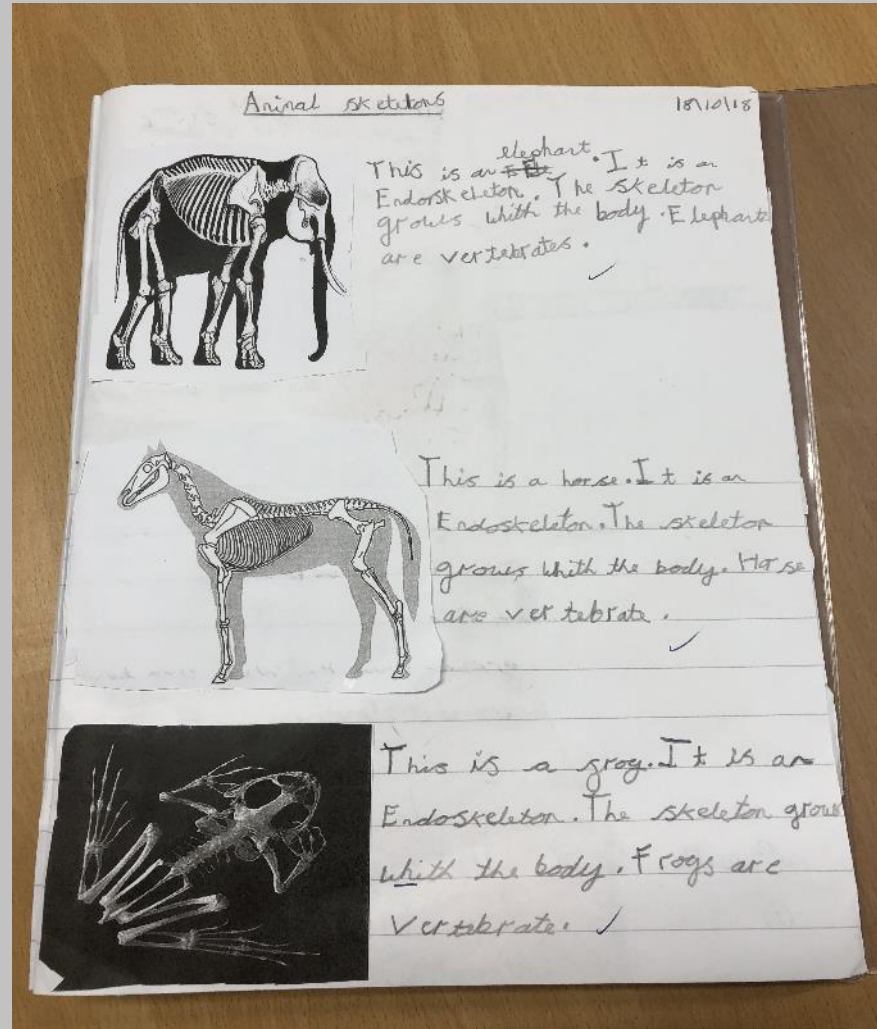

**Lenny Wren can't wait to  
spend each weekend with a  
different member of the  
class!  
He likes going on adventures  
and food!**

# SCIENCE: SKELETONS

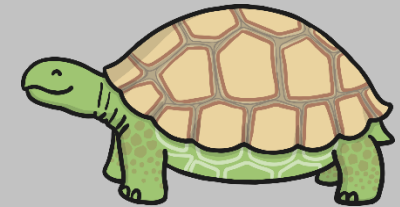

We looked at the human skeleton.

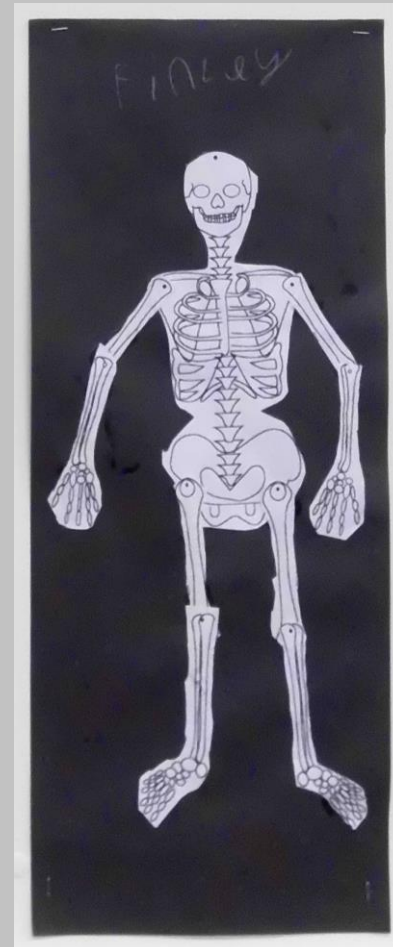

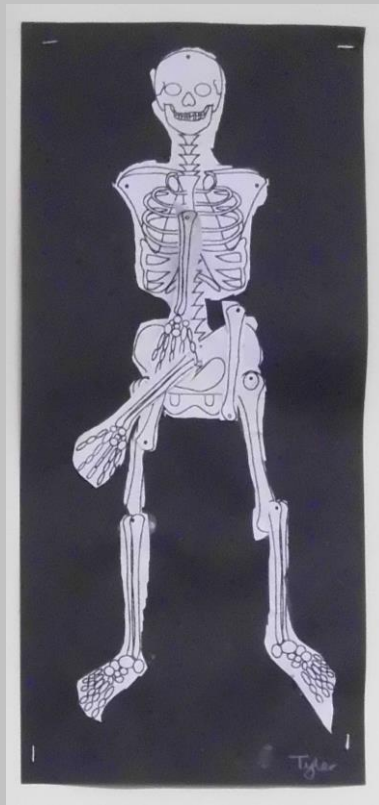

## Endoskeletons

Animals with endoskeletons have skeletons on the inside of their bodies.

## Exoskeletons

Animals with exoskeletons have their skeletons on the outside!

**OUR AMAZING BODIES WENT ON THE WALL**

# ART
