

HERON CLASS

2018-2019

OUR AUTUMN 1A CLASSROOM

Snuggles (named by democratic vote) can't wait to spend each weekend with a different member of the class!

THE DIGESTIVE SYSTEM

First the food enters the mouth, goes down the oesophagus and into the stomach.

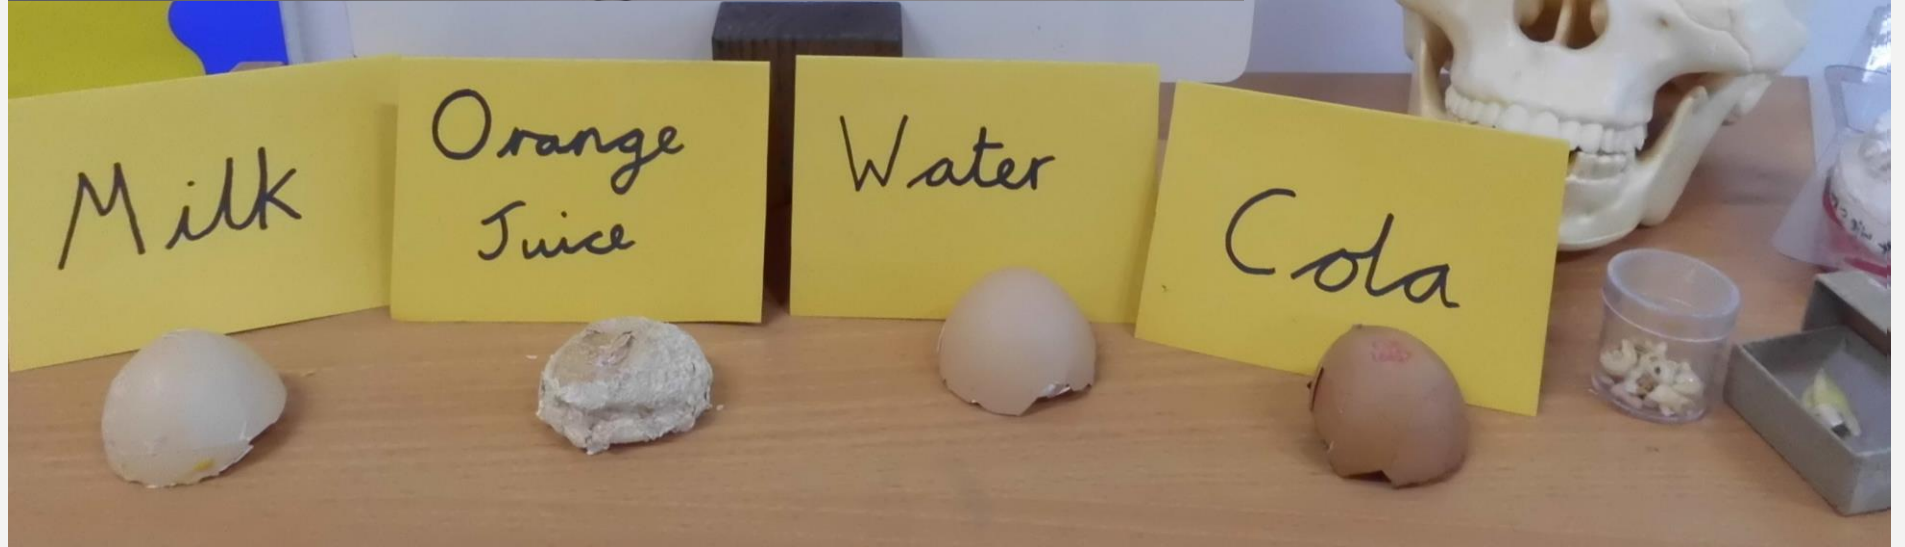

Then it travels through the small intestine, the large intestine and stops in the rectum.

Finally, it is pushed out through the anus.

AN INVESTIGATION TO FIND OUT THE EFFECT OF DIFFERENT LIQUIDS ON OUR TEETH.

I found out that orange juice was the worst. The control did nothing. The cola made it brown. The milk made it white and the water did nothing.

THE COUNTIES AND REGIONS OF THE U.K.

ART

HARVEST CELEBRATIONS

KS1 and KS2 singing and learning about Harvest at St. Mary's Church

The Year 4 Choir singing and sharing biscuits they have made with 'The Elders'
