

# *Otter Class 2019-20*

- *Hello! My name is Olly Otter. I'm lucky because I am able to go with home with a member of Otter class each weekend and I have lots of fun and usually lots to eat!*

*We enjoy reading in our book corner.*

*We enjoyed making our clay faces.*

*We have enjoyed developing our basketball skills with Gavin.*

*In Maths, we have been using different apparatus to explore place value.*

*We enjoyed using role play to help retell our Percy the Park Keeper stories.*

*In Otter class we work hard!*

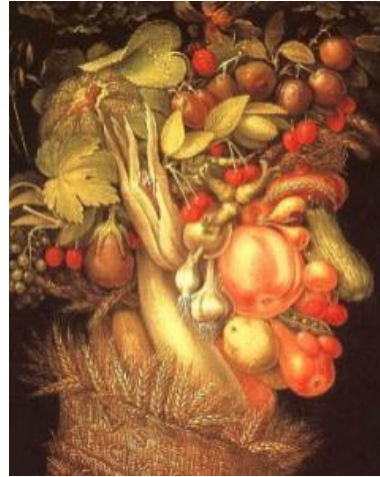

*In Computing, we have been learning about algorithms and put our learning into practice by making jam sandwiches for Percy the Park keeper's lunch.*

*We learned about the artist  
Giuseppe Archimboldo, and created our  
own artwork using his style.*

*We celebrated Harvest at St Mary's church, thinking about our theme of Kindness. Look at our lovely hats!*
