

Otter Class 2019-20
Spring term 2a

In Art this term, we have been exploring sculpture with a range of materials.

We even tried some origami!

From our story picture we created sculpture with natural materials.

And some more sculpture...

The Pied Piper Theatre company visited us to tell us the story of 'The Star in the Jar'.

We read the story of 'The Blue Coat' to the children in Nursery.

In Science, we explored which materials were waterproof and were quite surprised by the results!

We were visited by some very clever engineers who showed us experiments with Liquid Nitrogen.
