Self-confidence and Self-awareness

What do you like to play with? What do you dislike? **Draw a picture or cut and stick images**, dividing the page into likes and dislikes.

Managing Feelings and Behaviour

Look at the 'The Golden Rules' in Resources. Print them out (or make your own) and display them in your home. Talk about how you can follow the Golden Rules.

Physical development

Moving and Handling

Play the 'Traffic Lights' game at home. Adult to call out a colour and child to respond with the corresponding movements.

- Red = stop, stand still
- Yellow = move slowly
- Green = run (being careful to avoid any obstacles)

Fine motor skills: explore playdough using your hands, fingers and tools. See 'Homemade playdough recipe' in Nursery Resources.

Health and Self-care

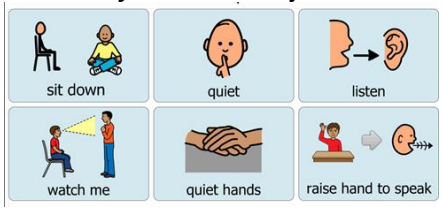
Read (or watch a read out loud on YouTube) **'Germs are not for sharing'** by Elizabeth Verdick. Talk about the hygiene routines you have at home.

Toileting – try to be as independent as possible when using the toilets. Including pulling your own clothing up/down and wiping after using the toilet. Don't forget to wash your hands!

Communication and Language

Listening and attention

Practise following the **good listening / carpet rules** while reading stories at home. You could get some soft toys or dolls to join in too!



Understanding

Read a favourite story. Adult to ask some simple questions to check understanding:

- What happened when … ?
- Why did they … ?
- Where is the … ?
- When did … happen ?
- Who is … ?

Speaking

Practise communicating basic needs. For example:

- ✓ I need the toilet
- ✓ I hurt myself
- ✓ I am sad
- ✓ I miss …
- ✓ I am thirsty
- ✓ I am tired
- ✓ I want … (that toy / a drink / a book)

Literacy

Nursery Rhyme: *a simple traditional song or poem for children*

Reading

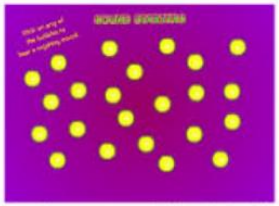
Sing along to your favourite **Nursery Rhymes**. Can you add some actions?

Writing

Enjoy making 'messy' marks!
Using shaving foam and a flat surface, practise forming shapes, wiggly lines and letters using your finger.

Phonics

Visit the phase 1 section on **www.phonicsplay.co.uk.** Enjoy playing sound games, talk about what the sounds remind you of and where you might have heard them before.



Sound starters - Click the bubbles to hear different sound effects. Great for: Developing vocabulary for talking about sounds

Mathematics

Numbers

Practise counting out loud in sequence to 10.

- Learn and sing the rhyme '1,2,3,4,5 once I caught a fish alive'
- Play hide and seek: the seeker needs to count to 10 first!
- Listen to counting to 10 songs online. 'Super Simple Songs' on YouTube have a variety to choose from.

Shape, space and measures

Complete a puzzle. Try a new or more challenging puzzle, ask a family member to work with you.

Explore capacity using different sized containers in water tray or bath. Can you say when the container is 'full', 'empty' or 'nearly full' / 'nearly empty'.

Understanding the World

Draw a picture of your family and talk to someone about the representations you have created.

Take a walk around your home. Can you find the place where…

- you get washed
- cook food
- go to sleep
- out your clothes

Expressive Arts and Design	**Explore painting**. Name the colours you have used and what you have created.  	**Create a picture or craft of your key group mini-beast.** Ladybirds: Butterflies: Caterpillars:	**Find some music makers** around your home; try hitting the bottom of a saucepan with a wooden spoon or filling a plastic container with rice/pasta to create a shaker. Which sounds do you like the most? Which sounds do you like the least?
