

# Kite & Owl Class Gold Book

17.9.20

During our PSHE lesson, Kasjan wrote really thoughtful reasons as to why Lionel Messi is a positive role model.

He thought about all the important qualities that makes someone a good role model and chose the ones that applied, using examples to explain his decisions.

Laila, Anica and Emily displayed our golden rule of being kind and helpful, by making a new member of the class feel extremely welcome and checking she knew the school routines.

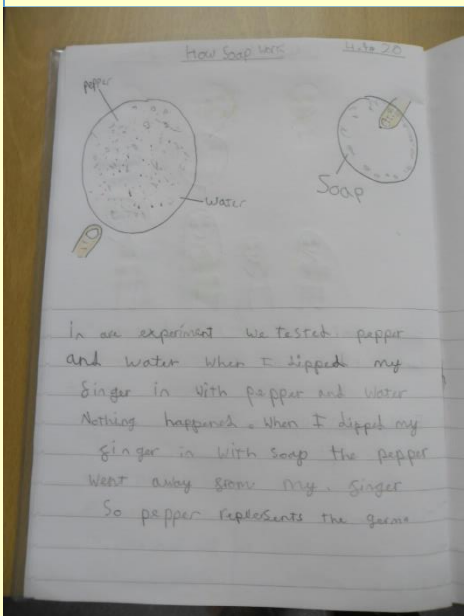

Thank you girls!

In English, Tiernan explained why authors use descriptive language and he expanded his own noun phrases with some wonderful adjectives.

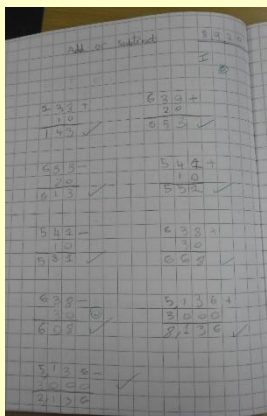

Great work Tiernan!

**Willow** enjoyed learning about how germs hate soap and wrote about our investigation, clearly showing our investigation and explaining what we did.

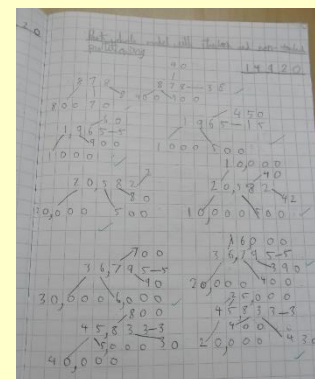

We have been working on adding and subtracting multiples of 10, 100 and 1000. **Tyler** worked hard to improve his skills and clearly showed his working.

**Oscar** is in Gold book for showing great maturity and confidence when speaking to the class about his condition, helping us to understand and support him in Owl Class.

**Katherine** has worked hard to practise her partitioning skills for 5 digit numbers, exploring ways to show the standard and non-standard partitioning methods.

**Evie** thought of some wonderful questions and statements for The Wolves of Willoughby Chase and then produced some excellent adverbs linking to the story.
