To log in to your child's Wonde account go to the school website and click on the link. The link can be found within curriculum, Wonde and Google Classroom.

*Before starting you must ensure you have signed out of all other Google Accounts or sign in using an incognito tab.*

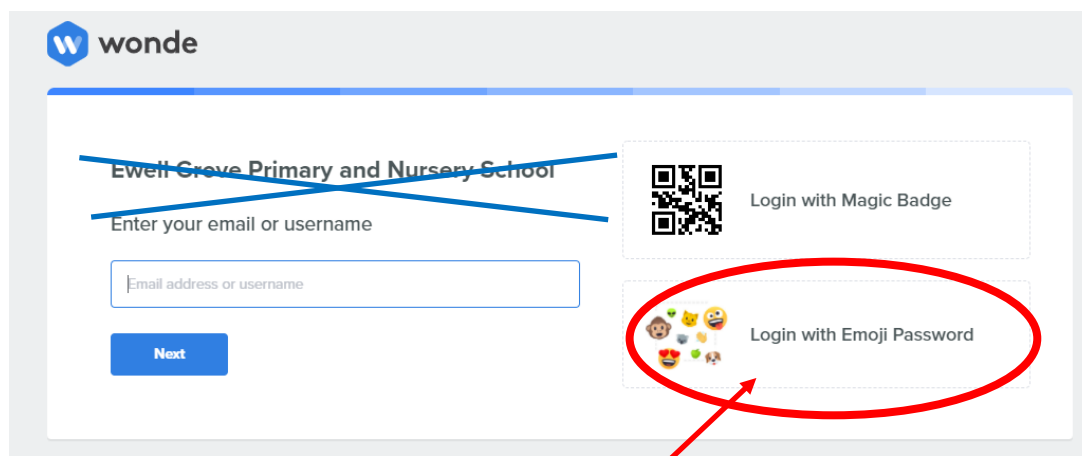

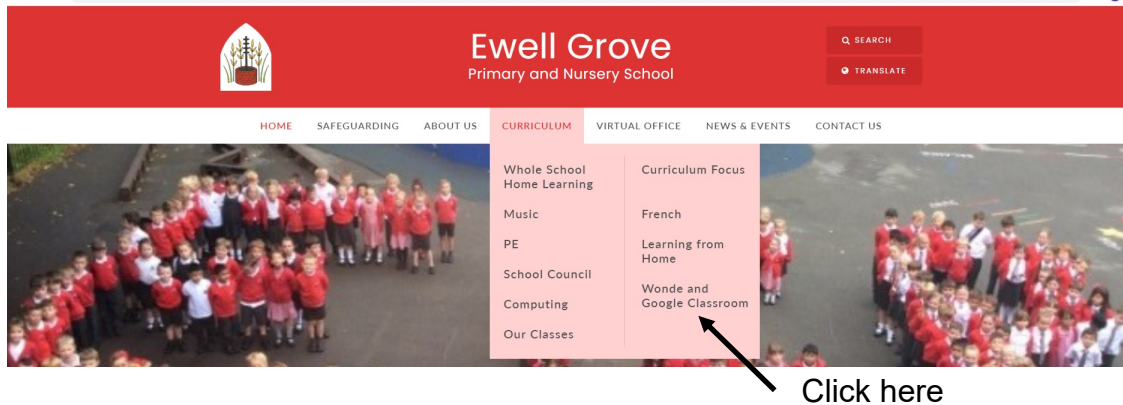

Click here

Do not enter your child's username, just click here as the Emoji Password serves as a single login. You will find your child's Emoji Password in the back of their Yellow Reading Record. *Please encourage your child to keep this safe and not share it with anyone.*

Please encourage your child to enter their password independently by clicking on the Emojis in the correct order.
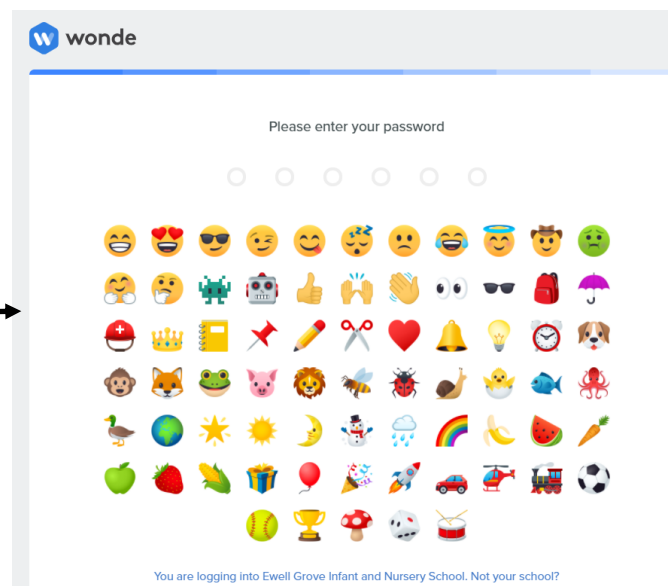

This will take you to the Ewell Grove School Wonde Dashboard which currently looks like this:

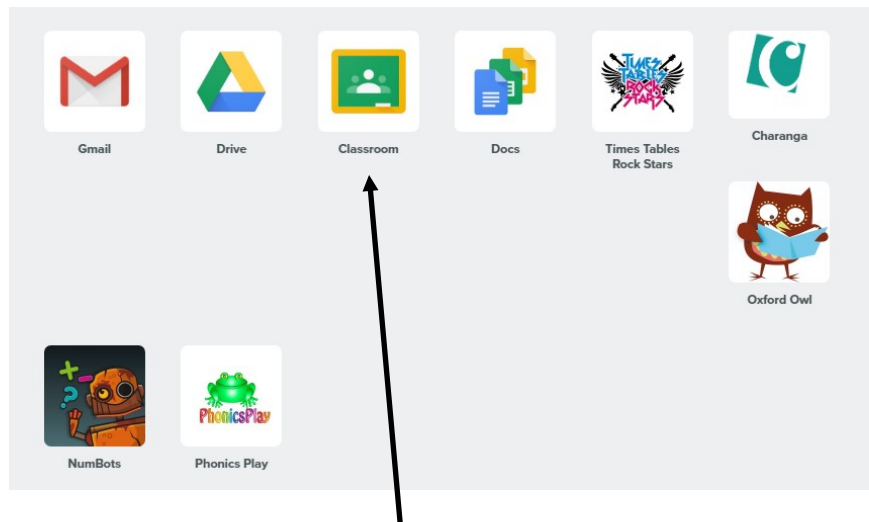

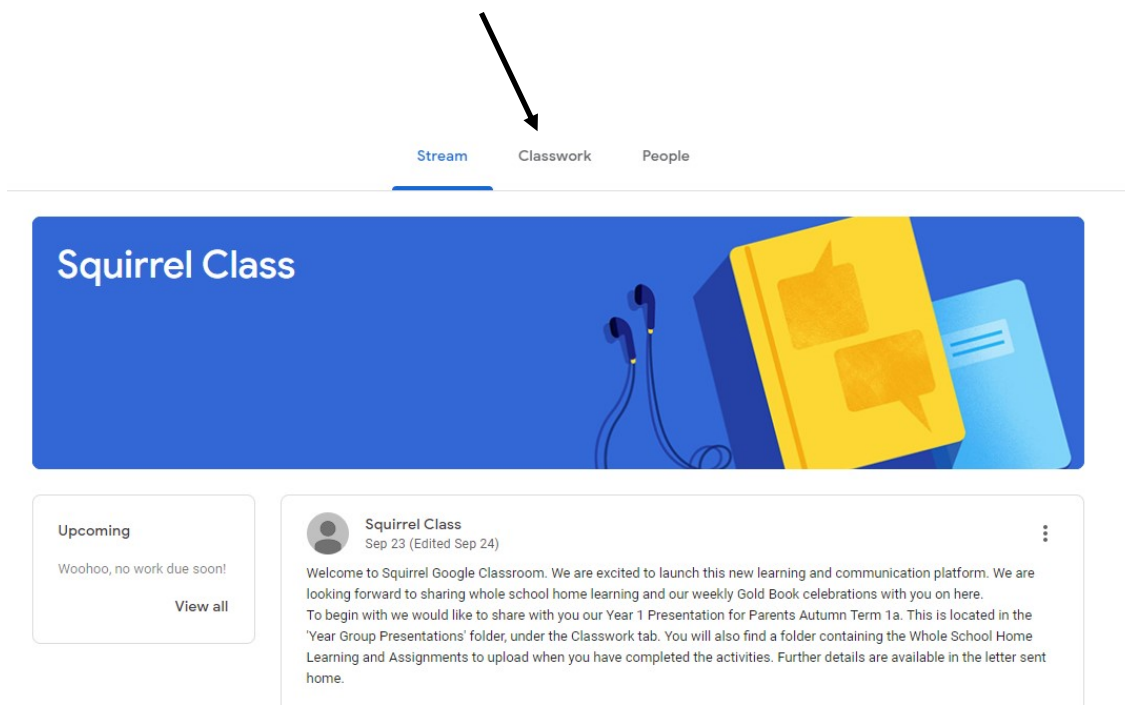

When your child clicks on Google Classroom for the first time they need to choose **'student'**. Please note it will ask you to verify their Google Account. You should see their Google login with the school domain name @ewell-grove.surrey.sch.uk. Simply click continue.

You should now see their classroom with their specific class name e.g. Squirrel
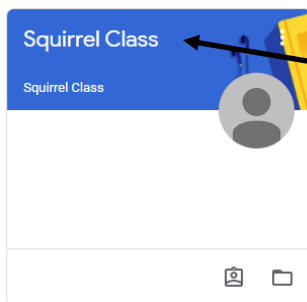

Click on the class name …. you have arrived in their Google Classroom!

The front page of the Google Classroom is known as the 'stream', this is where you will see announcements and notifications from us.   To access any resources we have uploaded, you will need to click on the 'Classwork' tab.

Squirrel Class
Sep 23 (Edited Sep 24)

Welcome to Squirrel Google Classroom. We are excited to launch this new learning and communication platform. We are looking forward to sharing whole school home learning and our weekly Gold Book celebrations with you on here.
To begin with we would like to share with you our Year 1 Presentation for Parents Autumn Term 1a. This is located in the 'Year Group Presentations' folder, under the Classwork tab. You will also find a folder containing the Whole School Home Learning and Assignments to upload when you have completed the activities. Further details are available in the letter sent home.

The 'Classwork' will be presented like this. Here you can click on the Year Group Presentation to download and view the video, and access the Whole School Home Learning. You will also be able to upload work to share with the class teacher.

Autumn 1a Home Learning   Edited Sep 24

This is the home learning for the first half of the Autumn term. Please select the activities you think will be most useful for your learning. You do not have to submit all of your work, but we would like you to choose one piece of work you are really proud of to share, and one that you found tricky and would like feedback on.

Click here to download the material ———————→

We would like the children to upload two pieces of work each half term, one that they are proud of and one that they would like help with. To do this you can click on the 'assignments' which have this logo.

Work I am proud of   Due Oct 23

Click here to open the assignment and upload

Posted Sep 24   Assigned

Please upload a piece of work that you are particularly proud of from this half term by the 23rd October 2020. Feedback will be given during the first week back after half term - 2nd - 6th November.

View assignment

Click here to create a document or attach a file. You can upload work as photos, scans or documents.

You can use this function to send a Private Comment to your class teacher about this assignment.

Click on file to attach a document or image saved on your device.

You also have the option to type your work directly into a document here.

Once you have uploaded your work, you must click on 'Turn In' to submit the work to your teacher.

Parent Comments

We would like you to give us feedback on how your child is doing with their home learning. You can edit the document and automatically save it to the classroom if you open with Google docs

You can then add comments as you complete each piece of work, and submit it on the due date.
