11<sup>th</sup> February 2021

Dear Parents/Carers,

### HALF TERM HAPPINESS CHALLENGE

With everything that has gone on of late the Friends of Ewell Grove have decided that the February half term challenge should not be another fundraiser but rather an opportunity for the children to focus on the good things in life (with the opportunity to **win a little prize** along the way!)

As such we are running a Happiness Competition. The Challenge is to take a photo of anything that makes you happy; it could be a favourite toy, a flower you've seen on your walks, your pet, your favourite dinner, the snow, a book, a rainbow... anything that has made you smile!

Please **send your photo** and attached **permission form** to:

[foeg@ewell-grove.surrey.sch.uk](mailto:foeg@ewell-grove.surrey.sch.uk)

by **Monday 22<sup>nd</sup> February**.

A winner per year group will be chosen by the school and the winning children's photos will be made into a poster to be displayed on the school noticeboard. Each winning child will also receive a **£10 voucher** to buy some treats from All Things Nice.

We will find a way to share all the photos the children have taken so they can all have their efforts shown in some form. (This may be on the Facebook page, in class ready for their return, or virtually on google classroom).

As photos on the noticeboard can be seen by the public please note we cannot accept any photos which feature personal information or people's faces. This competition is open to all children at the school from nursery up to Year 6.

Happy snapping! We look forward to seeing the results.

Have a lovely half term.

**The Friends of Ewell Grove**
