

Wren Class
Virtual Year Book
Spring 2b

PSE

This half term, we have been reminding ourselves of our Golden Rules, what makes a good friend and how we can resolve conflict.

English

In English, we have been reading a range of myths and legends and using the text to inspire the creation of our own mythical beasts in Art; we wrote exciting character descriptions and our own mythical quest stories.

Science

In Science, we have been having fun thinking about states of matter and irreversible and reversible changes. We melted different types of chocolate and considered which would melt first and why.

The water cycle

We have also been looking at evaporation and condensation within the water cycle and factors that can accelerate the rate of evaporation.

P.E.

In Athletics, we have been practising our shot put, discus and javelin throws.

World Book Day

We enjoyed sharing our favourite books and reading Emmanuel's Dream. The real Emmanuel is a boy who teaches us that with hard work we can achieve great things. We wrote diary entries and letters as the main character.

End of term celebrations

In true Ewell Grove fashion, we have ended the term on a high, with our annual Easter Egg hunt and bubble bursting.
