

HOME LEARNING PROJECT – AUTUMN 2021

We have started using Purple Mash in school for our Computing lessons.

This half term we would like you to explore using Purple Mash to create your own story book.

This can be based on a story you have enjoyed reading or you could use your imagination to create your own story.

We will be using 2Create a Story for this project. It is available on Purple Mash under 'Tools'.

Please ensure your project is completed by 26th November 2021.

Classes will be sharing the completed projects as part of their classwork and children will receive a certificate in recognition of their work.

Nursery/Reception

Use 'My Simple Story' to create your book.

Draw pictures for each page and either record your story using the microphone button, or ask an adult to type your words in.

My Simple Story

Year 1 and 2

Use 'My Story' to create your book.

Draw pictures for each page, adding backgrounds and characters if you like.

Type in your story or record the audio using the microphone.

My Story

Year 3 and 4

Use 'My Adventure Story' to create your book.

Add illustrations for each page using backgrounds and sprites.

Type in your story using the key features you have learned about story writing.

My Adventure Story

Year 5 and 6

Use 'My Adventure Story' to create your book.

Add illustrations for each page using backgrounds, sprites and animations, and use 'buttons' to link your pages.

My Adventure Story

Help is available for all of these programmes in the form of videos within 2Create a Story.

Just look for the video icon.

These videos will teach you about all of the features available in each programme.

Remember to save your work by clicking on the 3 lines at the top left of the page.
