Year 1
Spring 2b

Geography
We are learning about the 5 Oceans and 7 Continents of the world.We will also be comparing a town in Australia with a town in UK (Alice Springs and Ewell)

History
We will be continuing to learn about the History of Transport.

In particular, we will be learning about George Stephenson and the invention of 'The Rocket'.

Religious Education
Christianity
We will read the creation story and talk about what makes our world wonderful and why we should look after it.

We will also be learning about the Easter story and why it is important to Christians.

Design and Technology
We will be practising the skills of chopping, peeling and grating.

We will be putting these skills to the test when we design and make our own food products.

Computing
We will be learning about algorithms and the importance of giving instructions in the correct order.

We will be giving instructions to a robot, telling it how to move.

Mathematics
Addition and subtraction
Number facts and bonds to 20
Adding and subtracting one-digit and two-digit numbers to 20.
Shape and time
Naming 2D/3D
Half past
O'clock

English
We will be re-telling Traditional Tales and Fables.

Science
Materials
We will be developing our knowledge of materials and exploring why some materials are better than others for a given purpose through experiments.

PSHE
Friendship
We will be talking about what makes a good friend and thinking about some Simple strategies to help resolve disagreements.
We will also be learning about recognising kind and unkind behaviour.

Physical Education
Gymnastics
We will be developing how to jump from different heights, perfecting different rolls and perfecting a variety of balancing techniques.

Music
Round and Round
We are going to be recapping our knowledge of rhythm, pitch and pulse.

Art and Design
We are going to be looking at clues within a picture.
We are going to be linking this to our topic of Traditional Tales Fables and developing our skills across the half term.
