SURREY YOUTH GAMES 2023

The Specsavers Surrey Youth Games are a non-competitive, free physical activity event that aims to engage young people who have previously faced barriers to participating in sport, such as accessibility, confidence or cost. Young people aged 6-16 sign up to represent Epsom & Ewell in their chosen activity and receive 6-8 weeks of free training before competing on the Saturday 17th June 2023.

Active Surrey are looking to recruit **young ambassadors** to spread the word. Young ambassadors play an important role in championing SSYG in their communities by promoting them in their schools, clubs and neighbourhoods and encouraging others to try something new.

Successful applicants will be invited to a creative workshop at Epsom Town Hall to help develop their promotional ideas and receive a goody bag to help make them happen. They will also receive support from their school and the Council's community development team if they ever have any questions or need help.

Applicants do not need to have any experience participating in physical activity. All an amazing ambassador needs is a little creativity and a lot of enthusiasm! If you are interested in applying for the young ambassadors' scheme, then please complete the application form **attached** with this letter. The deadline for the ambassador scheme is **31st January 2023**.
