

TechyTots

Dear Parents/Carers,

TechyTots is delighted to continue bringing classes to your school this term.
We will be running Classes on Tuesday Mornings 8.10 - 8.55

*TechyTots offers a fun way to teach kids coding by combining technology with play. Learning to code helps develop important skills such as **creativity, critical thinking, problem-solving, sequencing, concentration, and confidence.***

We provide fun and interactive classes where children can explore coding using robots and the latest technology toys.

All our activities are **hands-on and offline**, so you can be assured your children will not access the internet during our classes.

TechyTots sessions will be running on:

Tuesday's 8.10 am - 8.55

22nd April - 8th July

(No Class Half Term)

A limited number of spaces are available, and they will be offered on a first come, first-served basis.

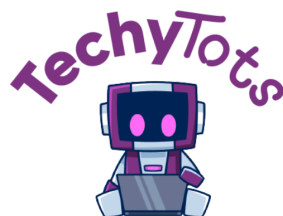

To book your child's space, please click the link below.
